'The DeVos Sports Business Management program has been named one of the TOP FIVE in America by The Wall Street Journal, The New York Times, ESPN The Magazine, and Forbes.'

Are you interested in sports business? Explore your options with a sports business management minor. Not just for business majors, it’s the minor that can diversify and enhance majors such as Advertising and Public Relations, Journalism, or Event Management.

Please join us for an informational session for the Sports Business Management minor with Prof. Scott Bukstein from the DeVos Sports Business Management department.

You can learn all of the important details about, career, volunteer, and internship opportunities for the minor that’s major.

Monday, March 24, 2014
3:30pm-4:30pm
Teaching Academy Room 110
How long will it take to complete this minor?

How can I apply it to my current major?

What career opportunities are there with this minor?

What are the classes I would need to take to complete this minor?

Questions?

The following are some example questions you may want to ask at the information session:

- Are there any scholarships?
