Welcome Back Orientation

Mark your calendars for the Welcome Back Orientation on August 23 from 5:30pm-6:30pm in TA 130! All PRIME STEM students are required to attend. At this event you will meet your new tutors, peer mentors, and academic coach, network with fellow scholars, and learn about special opportunities happening in the fall. Dinner will be provided! If you have class at this time, please email Amy.Bickel@ucf.edu before August 22 to be excused from attending.

STEM Career Academy

Are you ready for your first career? What if you could attend a one-day academy to get you jump-started on this process? Join PRIME STEM for the 1st Annual STEM Career Academy on August 5th from 9am-4pm. During this event you will have a combination of hands-on workshops, keynote presentations, graduate/professional school information, and a networking session with STEM industry professionals. If you are planning on pursuing a career in STEM, then this Academy is for you! Freshman to seniors are welcome to attend. There are a limited number of spots so apply today: <http://bit.ly/1WOavFH>.

Tutor Tip

One fantastic resource for math classes ranging from College Algebra to Differential Equations is "Paul's Online Math Notes" (<http://tutorial.math.lamar.edu/>). This site is organized by class and topic and has multiple examples, cheat sheets, and sample problems to work through. Use every resource at your disposal and stay on top of those summer classes! Remember if you are taking any math, chemistry, or physics courses this summer stop by for FREE tutoring- Wednesdays and Thursdays from 12pm-5pm all summer!
- Ethan Pepmiller, PRIME STEM Tutor

Welcome To Our New Academic Coach!

Ms. Cayla Bartley joined our team as of May 2016 and is excited to work with you on achieving your goals! Whether you need assistance with study skills, time management, goal setting, or overall wellness, she is here for you! She is a current graduate student in the Marriage, Family and Couples Therapy program and has a passion for helping people realize and operate in their true potential. You can make an appointment to meet her by emailing Cayla.Bartley@ucf.edu or stopping by the office on Mondays, Tuesdays, and Wednesdays from 11am-5pm!

Strengths Quest:

Discovering Your Natural Abilities

Everyone has talents, but not everyone knows how to use them. StrengthsQuest is a FREE assessment for PRIME STEM students that helps you discover your top five talents and develop those talents to achieve academic success, become better leaders, and develop stronger relationships. Knowing and using your strengths can also help you find career opportunities that are best suited for you. You have two opportunities to complete this assessment:

- Email Ms. Jennifer for an access code (Jennifer.Zelek@ucf.edu)
- Attend our workshop on July 11th
