

UCF Hazing Prevention Workshops

Spring 2017

You are invited to attend spring semester workshops on hazing prevention. The topics that will be covered are: hazing behaviors, strategies of prevention, leadership development and group responsibility.

We will offer several of these sessions during Leadership Week 2017 <http://lsa.sdes.ucf.edu/leadershipweek/>. Participants will have the opportunity to gain leadership values and skills that will prevent hazing behavior at UCF.

All workshops are open to students, faculty and staff.

If you have any concerns or questions, please contact Dr. Germaine Graham, LEAD Associate Director, at 407-823-2223 or Germaine.Graham@ucf.edu
